

- As the Primary Corp Member ... you can either attend the meeting yourself or you can have one of your Corp Alternates attend (included in membership). You can assign this right from your Account Dashboard (when you're logged into your WBN Corp Account)

- To RSVP Early (instead of waiting for your RSVP Email) you'd just click on the "RSVP to Upcoming Meeting" tab – and follow the prompts. Either pick yourself to attend – or choose one of your Alternate Representatives to attend – and choose the Meal preference as well for the attendee.

- As the Primary Corp Member – if you are attending the meeting & you'd like an Alternate Representative and/or other Employees to attend as guests with you - the Alternate or Employee will pay \$40.00 - please note that they must be registered on the Corporate Membership Account to get the discount (see steps above).
